Eradication Programme for Typhoid / Malaria

2853. SHRI CHO. S. RAMASWAMY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that despite Government's intensive eradication programme, typhoid / malaria are still prevailing in the country;

(b) if so, how many cases were detected, State-wise, during the last three years;

(c) whether it is also a fact that Government have banned the Indian manufacturers from producing anti-typhoid vaccines; if so, the reasons therefor;

(d) whether Government propose to import these vaccines; and

(e) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. (SHRIMATI) RITA VERMA): (a) and (b) Yes, Sir. It is a fact that despite intensive efforts of Government, cases of typhoid and malaria are still prevailing in the country. The number of cases of malaria and enteric fever detected in the last three years is given in Statements - I & II.

(c) to (e) Routine inoculation with conventional typhoid vaccines has been discontinued in view of limited efficacy of field practice, and also high frequency of adverse reactions and neurological complications.

Statement - I
